

BANDARI MARITIME TECHNICAL TRAINING AND DEVELOPMENT DIVISION

Bandari Maritime Technical Training and Development Division is part of the Academy's main dispensation to provide advanced Technical education and training to appropriately qualified candidates, leading to the award of diplomas and certificates and other such qualification

Sections under this Division include:

Marine Engineering / Maritime Engineering

Scholars under this section of the academy are equipped with a firm understanding of the principles associated with Marine Engineering and Engineering Management Practices.

Nautical Science

The Nautical Science section offers job oriented courses that will help one build a career in Merchant Navy

Port Operations & Logistics

The programme provides you with a rounded view of the management of ports and port terminals and the wider logistics industry. As part of the programme you gain the tools to be an effective Project Manager of Port Operations.

STCW and Ancillary

BMA regularly conducts a wide range of 'Mandatory and Other Short Courses' for the Maritime industry. The contents of these courses, where required, meet the STCW 2010 Manila Amendment requirements and the completion of some of these courses is a pre-requisite for issuance of Certificates of Competency (CoC).

@BandariMaritime

Library and Resource Center

To support the development of Scholars' education is the Library & Learning Resource Center (LLRC). It's known across the campus for its high-tech, eco-friendly architecture and the comfort of a one-stop academic support center.

Curriculum and Exams

The main aim is to create positive improvements in the courses offered at BMA as well as issue exams and the completion of some of these courses is a pre-requisite for issuance of certificates of competency (CoC).

Quality Assurance

The Academy engages a pool of the leading trainers and experts in the maritime field to provide tailor-made courses to help Scholars achieve excellence.

Registry

The Office of the Registrar maintains academic records of all students, events related to enrollment, awards of diplomas, transcripts, certificates of admission, and more.

Admission Guidance and Counseling

Our mission is to provide all students with guidance and advice services that support academic success, personal and social development and college and career preparedness.
