BANDARI MARITIME ACADEMY

QUALITY POLICY STATEMENT

Bandari Maritime Academy is dedicated to providing World-class Maritime Education and Training to develop Competent Maritime Human Resource for Sustainable Blue Economy, which is aligned with global efforts to harness ocean resources.

The Academy has established quality objectives in all functional areas, which are reviewed annually for continuous alignment with strategic goals.

The Academy is committed to satisfying the requirements of all interested parties and adherence to applicable statutory and regulatory requirements, and continual improvement of the Quality Management System.

Dr. Eric Katana

CHIEF EXECUTIVE OFFICER **Date:**18/09/2026
